

HCS and CS CABLE MANAGEMENT

Single Mount Pedestal Extension Kit

Accommodates one ClipperCreek HCS or CS Charging Station

Dual Mount Pedestal Extension Kit

Accommodates two ClipperCreek HCS or CS Charging Stations

SAFETY. RELIABILITY. INNOVATION. ClipperCreek's cable management system keeps cables off the ground and eliminates the need to wind the cable for storage after use. Now one cable management system is available for both ClipperCreek HCS and CS Series single and dual-mount pedestal installations.

- **CONVENIENT** - Keeps charging cables safely off the ground
- **UNIVERSAL** - A cable management solution for our HCS or CS Series
- **INNOVATIVE** - Adjustable spring-based system for reliable cable retraction every time
- **TOUGH** - Powder-coated steel pedestal extension, enclosed cable management retractor
- **RELIABLE** - Backed by ClipperCreek's one year warranty and outstanding customer service

CABLE MANAGEMENT
