Don't Wait Too Long For A Level 2 Charging Station - EVSE Incentives Expire Soon!

EVSE Incentives - Don't Wait Many are Expiring!

As the end of 2018 approaches, so do some incentives for Electric Vehicle Supply Equipment (EVSE). And, if Congress decides to extend the 30% (up to \$1,000) EVSE Tax Incentive like they did last year, charging stations purchased by 12/31/18 may be eligible. Check for expiring incentives in your area by clicking button below.

2018 National Drive Electric Week Success!

For the second year in a row, National Drive Electric Week has reached all 50 states, with a coordinated network of 321 community events. These ride & drives, driveway chats, and family-friendly festivals give electric vehicle drivers the chance to showcase the value and benefits of electric vehicles as not just clean technology, but fun to drive and increasingly popular. Level Up With a Level 2 Charger for Your EV

Electric Vehicles, (EV's if you're in the know), are hitting the mainstream, and if you haven't already contemplated one as you gaze at the dollars rolling by at the gas pump, you might very well in the near future. [Learn more](#)

The Highest Standards. The Happiest Customers.

*"I bought a ClipperCreek 30A EVSE three years ago for my first electric car, and it's been performing well ever since. **Trouble-free and rock solid.** That's why I decided to buy a second one!"*

- Harry L.
